Attorney's Docket No.: 1038-1086 MIS:jb	:	UNDER 37 CFR 1.47(a)

RESPONSES	:	

This decision is in response to applicants' "RENEWED PETITION UNDER 37 CFR 1.47(a)" filed on 05 August 2002 that seeks the acceptance of the application without the signature of the inventor Charles D.Y. Sia.

BACKGROUND

In decision from this Office 17 June 2002, applicant's petition filed on 15 January 2002 was dismissed. The decision stated that the petition had not satisfied item (2) of 37 CFR 1.47(a).

On 05 August 2002 applicant filed "Renewed Petition Under 37 CFR 1.47(a), which includes an additional declaration by Reza Yacoob.

DISCUSSION

A petition under 37 CFR 1.47(a) must be accompanied by: (1) the fee under 37 CFR 1.17(h), (2) factual proof that the missing joint inventor refuses to execute the application or cannot be reached after diligent effort, (3) a statement of the last known address of the missing inventor, and (4) an oath or declaration by the 37 CFR 1.47(a) applicant on his or her own behalf and on behalf of the non-signing joint inventor.

The petitions of 07 May 2000 and 15 January 2002 had satisfied items (1), (3), and (4) of 37 CFR 1.47(a). However, item (2) was not satisfied.

The newly submitted averments of Mr. Yacoob and the evidence provided are sufficient to support a finding that the nonsigning inventor, Mr. Sia refuses to sign the required documents. Petitioner supports this assertion by submitting a copy of the cover letter to Mr. Sia and the Express receipt signed by Mr. Sia confirming that he received the application papers on September 26, 2001.

Accordingly, the steps enumerated by Mr. Yacoob are sufficient to establish that the Mr. Sia refused to sign the declaration, and that Pele Chong refuses to sign on behalf of Charles Sia. Only joint inventor Michel H. Klein signed on the behalf of Charles D.Y. Sia.

Petitioner has satisfied items (1) - (4) under 37 CFR 1.47(a), thus completing the requirements under 37 CFR 1.47(a).

DECISION

The petition under 37 CFR 1.47(a) is **GRANTED**.

A review of the application reveals that the requirements under 35 U.S.C. 371 for entry into the national stage in the US have been satisfied.

The Application Division and the International Division are authorized to accept the application as a 37 CFR 1.47(a) application and to mail a filing receipt. The application will be given a 35 U.S.C. 371(c) date of **07 May 2001**.

As provided in 37 CFR 1.47(a), a notice of the filing of this application will be forwarded to the non-signing inventor at his last known address of record.

A notice of the filing of the application under 37 CFR 1.47(a) will be published in the Official Gazette.
